FREE STORAGE CRATE WITH EVERY GARDEN

Each of our color-themed gardens comes packaged in a color-coordinated storage crate that has a thousand and one uses around your home.

Fashioned after the actual (larger) bulb crates we use in the industry to transport bulbs from the field, these crates collapse for easy storage and can be used for organizing your junk drawer, cd's, toys, food or as a great desk organizer.

We loved these colorful containers so much we just had to package our popular color gardens in these solid plastic crates as a free bonus for you!

Each solid plastic crate measures 10.5" x 6.5" x 4.25" in height.

Strong tools to help you garden...

RR 3 NYLON TOOLS \$10

The proper tool always makes gardening so much easier. Having reviewed and tested literally hundreds of hand tools over the years, we have determined that these three specific tools will simplify your efforts and make your results more rewarding. Moulded in Nylon (so much stronger than plastic), we have chosen today's three most popular colors for this set of Trowel, Fork & Cultivator. Each tool is designed so it can be hung and features an inlaid cushioned thumb rest to avoid blisters and fatigue.

SS BULB PLANTER \$9

All bulb planters are not created equal! If you've ever tried the standard version you'll find that soil will get stuck in the compartment, especially in damp ground. With our push-and-release bulb planter, this problem is solved forever. Simply push the planter in the ground, give it a slight twist then push the convenient handle trigger to release the soil. Cut your planting time in half!

TT BULB DIBBER \$8

The most valuable tool in the garden! Useful for planting bulbs of almost any size and versatile enough to use even for larger seeds, the classic Dibber is the gardener's best friend. Featuring a traditional Dutch T-shaped wooden handle for warmth and comfort. The planting tip is constructed from highly durable electroplated A3 Steel. This is a tool you can't live without at an even more amazing special price!

When your order arrives...

Once you receive your order, you will be pleased to find that each item you purchased comes with a full color label that provides you with all the information you need to have success in the garden. Each label contains the bulb size, plant height, proper spacing, where to plant plus any other features that will assist you in gardening. In addition to these particulars, your label will explain when and how to plant your new additions to the garden.
